WAG HILL LODGE

Lake Victoria
Tanzania

Wag Hill, an ecofriendly Lodge, offers the ultimate in privacy and seclusion, providing an opportunity to relax, unwind, fish and explore one of the last indigenous environments on the shores of Lake Victoria, Tanzania.

Overview

For the experience of a lifetime, come and visit Wag Hill, an eco-tourism Lodge on the southern shores of Lake Victoria, a short boat ride from the town of Mwanza.

Wag Hill Lodge is located on 17.3 hectares of protected land dedicated to fostering the natural environment of Lake Victoria. It is situated in one of the last indigenous forests which attracts incredible birdlife, vervet monkeys and other small animals.

Lake Victoria boasts some of the biggest Nile Perch and Tilapia in the world.

Fishing for these species is part of the Wag Hill experience.
